

Using your Student Questionnaire answers and the 6 Rosedale Pathways, see how your answers match up with what you will need to do when in a career in the following pathways.

Rosedale Pathway: Health Sciences

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: Business, Marketing & Management

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: Environment & Agricultural Systems

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: Industrial, Manufacturing & Engineering Systems

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: **Human Services & Resources**

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: **Communication & Information Systems**

- Working with my hands
- Solving problems and puzzles
- Speaking in front of others
- Leading projects and leading people
- Learning about how things work
- Working with computer hardware and software
- Teaching people how to do things
- Working with numbers

- Building and fixing things
- Singing, acting, dancing, or playing music
- Giving advice and helping people feel better
- Learning about the environment and/or body
- Learning about the history/culture of people
- Being creative (drawing, writing, designing)
- Selling things or selling ideas
- Creating and following rules

Rosedale Pathway: Health Sciences

MyBlueprint Career Cluster: **Health Sciences**

Acupuncturist	Ambulance Driver	Anesthesiologist	Audiologist	Biologist
Cardiologist	Child and Youth Worker	Chiropractor	Clinical Psychologist	Community Service Manager
Dental Assistant	Dental Hygienist	Dentist	Dermatologist	Diagnostic Medical Sonographer
Dietician	Epidemiologist	Exercise Physiologist	Family Physician (Doctor)	Gastroenterologist
Genetic Counsellor	Home Health Care Worker	Immunologist	Licensed or Registered Practical Nurse	Massage Therapist
Medical Assistant	Medical Records and Health Information Technician	Medical Scientist	Medical Secretary	Medical Technologist
Mental Health Social Worker	Midwife	MRI Technologist	Naturopath	Neurologist
Neuropsychologist	Obstetrician	Occupational Health and Safety Specialist	Occupational Therapist	Ophthalmologist
Optometrist	Oral Surgeon	Orderly	Orthodontist	Orthoptist
Paramedic	Pathologist	Pediatrician	Personal Trainer	Pharmacist
Pharmacy Technician	Pharmacy Worker	Physical Therapist	Physician	Prosthetist
Prosthodontist	Psychiatric Care Worker	Psychiatrist	Radiologist	Registered Nurse
Rehabilitation Doctor	Speech-Language Pathologist	Sports Medicine Doctor	Surgeon	Surgical Assistant

Rosedale Pathway: Business, Marketing & Management

MyBlueprint Career Cluster: **Marketing, Finance, Business Management & Administration, Hospitality & Tourism**

Accountant (CPA)	Administrative Assistant	Auditor	Bookkeeper	Compliance Manager
Corporate Trainer	Cost Estimator	Courier	Data Entry Clerk	Delivery Driver
Economist	Employment Recruit	Energy Consumption Consultant	Entrepreneur	Environmental Sustainability Consultant
Executive Assistant	Filing Clerk	Financial Clerk	Financial Controller	Fundraising Specialist
General Manager	Human Resource Specialist	Labour Relations Specialist	Management Analyst	Management Consultant
Office Clerk	Payroll Administrator	Postal Service Worker	Public Relations Specialist	Receptionist
Regulatory Compliance Specialist	Small Business Owner	Stock Clerk	Talent Agent	Actuary
Bank Teller	Credit Analyst	Credit Counsellor	Energy Broker	Financial Analyst
Financial Manager	Financial Planner	Financial Services Sales Agent	Financial Trader	Fraud Investigator
Fund Manager	Income Tax Preparer	Insurance Appraiser	Insurance Claims Investigator	Insurance Sales Agent
Insurance Underwriter	Investment Banker	Investment Broker	Loan Officer	Risk Management Specialist
Title Examiner	Advertising Manager	Cashier	Commercial Real Estate Broker	Customer Service Representative
Market Research Analyst	Market Researcher	Marketing Manager	Property Assessor	Property Manager
Real Estate Agent	Rest Estate Appraiser	Real Estate Broker	Retail Salesperson	Sales Manager
Sales Representative	Technical Sales Engineer	Telemarketer	Event Planner	Food Counter
Attendant	Guest Sales Representative	Hosts And Hostesses	Tour Guide	Travel Agent
Usher	Travel Guide	Business Intelligence Analyst		

Rosedale Pathway: Environmental & Agricultural Systems

MyBlueprint Career Cluster: **Agriculture, Food & Natural Resources**

Agricultural Equipment Technician	Agricultural Inspector	Animal Breeder	Animal Caretaker	Animal Scientist
Animal trainer	Arborist	Botanist	Butcher	Environmental inspector
Environmental scientist	Farmer	Fishery worker	Food scientist	Forest and conservation worker
Forester	Game warden	Geological technician	Hazardous materials removal worker	Landscaper
Loading machine operator	Underground mining	Meat packer	Mine Cutting and Channeling Machine Operator	Nursery Worker
Park ranger	Pest control worker	Pork production technician	Recycling worker	Rig technician
Roof bolter	Mining	Rotary drill operator	Service Unit Operator, Oil, Gas, and Mining	Trappers and Hunters
Water Treatment Worker	Veterinarian	Veterinary Assistant	Veterinary Technician	Environmental Economist
Environmental Restoration Scientist	Geodetic Surveyor	Geologist	Geospatial Information Scientist	Hydrologist
Industrial Ecologist	Marine Biologist	Oceanographer	Zoologist	Animal Control Worker
Climate Change Researcher				

Rosedale Pathway: Industrial, Manufacturing & Engineering Systems

MyBlueprint Career Cluster: **Manufacturing, Transportation, Distribution & Logistics, Science, Technology, Engineering & Mathematics, and Architecture & Construction**

Boilermaker	Cabinetmaker	Electronics Assembler	Foundry Worker	Furniture Finisher
Home Appliance Repairer	Home Entertainment System Installer	Instrumentation And Control Technician	Jeweler	Locksmith
Machine Maintenance Worker	Machinist	Mechanic	Mechanical Engineer	Mechanical Engineer Technician
Medical Equipment Repairer	Metal Fabricator	Millwright (Industrial Mechanic)	Musical Instrument Repairer	Network Equipment Installer
Patternmaker	Photonics Technician	Power Worker	Precious Metal Worker	Print Binding & Finishing Worker
Production Technician	Quality Inspector	Radio Mechanic	Tower Equipment Worker	Roustabout
Sewing Machine Operator	Stone Cutter	Tool Grinder	Upholsterer	Water Well Driller
Aerospace Engineer	Aerospace Engineering Technician	Air Traffic Controller	Aircraft Mechanic	Airfield Operations Specialist
Agricultural Engineer	Aircraft Maintenance Engineer Technician	Automotive Painter	Automotive Service Technician	Automotive Engineer
Aviation Inspector	Avionics Technician	Bicycle Repairer	Bus Driver	Cargo And Freight Agent
Coast Guard	Commercial Diver	Customs Broker	Deckhand	Electronic Equipment Repairer
Freight Forwarder	Locomotive Engineer	Partsperson	Pilot	Production Planner
Public Transit Worker	Purchasing Agent	Railcar Repairer	Railroad Conductor	Ship Captain
Ship Engineer	Shipping & Receiving Clerk	Supply Chain Analyst	Supply Chain Manager	Traffic Technician

Transportation Planner	Truck And Transport Mechanic	Transportation Inspector	Anthropologist	Archaeologist
Astronaut	Astronomer	Atmospheric Scientist	Biochemical Engineer	Biochemist
Bioinformatics Scientist	Biological Technical	Biomedical Engineer	Biophysics	Biostatician
Cartographer	Chemical Engineer	Chemist	Civil Engineer	Criminologist
Electrical Engineer	Electrical Engineering Technician	Electronic Drafter	Electronics Engineer	Electronics Engineering Technician
Engineering Technician And Technologist	Environmental Engineer	Geneticist	Geological Engineer	Industrial Engineering Technician
Industrial Health And Safety Engineer	Manufacturing Engineer	Materials Engineer	Mathematician	Meteorologist
Microbiologist	Molecular Biologist	Nanosystems Engineer	Naval Architect	Nuclear Engineer
Paleontologist	Petroleum Engineer	Photonics Engineer	Physicist	Research Assistant
Robotics Engineer	Statistician	Supply Chain Engineer	Transportation Engineer	User Experience Engineer
Architect	Architectural Drafter	Brickmason/Bricklayer	Building Inspector	, Carpenter
Cement Mason	Civil Engineering Technician	Commercial Painter	Construction Equipment Operator	Construction Foreman
Continuous Mining Machine Operator	Crane And Tower Operator	Derrick Operator	Dredge Operator	Drywall Installer
Electrician	Excavating, Loading Machine And Dragline Operator	Explosives Worker	Flooring Installer	Geological Driller
Glazier	HVAC Installer	Insulator (Heat And Frost)	Interior Designer	Landscape Architect
Metal Worker	Paver	Pipelayer	Plasterer	Railway Worker
Rigger	Roofer	Roofer, Road Maintenance Worker	Sewage System Servicer	Sheet Metal Worker
Solar Photovoltaic Installer	Sprinkler System Installer	Stonemason	Telecommunication Line Worker	Tile Setter
Computer Hardware Engineer	Software Quality Engineer			

Rosedale Pathway: Human Services & Resources

MyBlueprint Career Cluster: **Law, Public Safety & Security, Human Services, Government & Public Administration, Education & Training**

Bailiff	Correctional Officer	Court Reporter	Crime Scene Investigator	Customs Inspector
Emergency Dispatcher	Fire Safety Inspector	Firefighter	Forensic Scientist	Immigration Agent
Intelligence Analyst	Judge	Lawyer	Legal Secretary	Barber
Childcare Worker	Community Health Worker	Costumer	Counselling Psychologist	Dressmaker
Dry Cleaner	Embalmer	Esthetician	Family Social Worker	Funeral Attendant
Hairstylist	Health Educator	Mental Health Counsellor	Minister Of Religion	Nail Technician
Nanny	Personal Care Aide	Political Scientist	Probation Officer	Recreation Worker
Sociologist	Tailor	Vocational Rehabilitation Counsellor	Bylaw Enforcement Agent	Collections Agent
Coroner	Court Clerk	Diplomat	Driver's License Examiner	Enlisted Military Soldier
Human Rights Officer	Meter Reader	Municipal Clerk	Politician	Coach
Dean	Early Childhood Educator	Educational Assistant	Elementary School Teacher	Guidance Counsellor
Instructional Coordinator	Instructional Designer	Librarian	Professional Athlete	Professor
School Principal	Secondary School Teacher	Special Education Teacher	Translator	Tutor
Bus Driver	Health And Safety Inspector	Flight Attendant		

Rosedale Pathway: Communication & Information Systems

MyBlueprint Career Cluster: **Arts, A/V Technology & Communications and Information Technology (I.T.)**

A/V Equipment Technician	Actor	Animator	Archivist	Art Director
Artist	Broadcast Announcer	Broadcast Technician	Camera Operator	Choreographer
Composer	Conservator	Copy Writer	Craftsperson	Creative Writer
Curator	Dancer	Desktop Publisher	Director	Editor
Engraver	Entertainer	Fashion Designer	Film And Video Editor	Graphic Designer
Historian	Industrial Designer	Linguist	Makeup Artist	Music Director
New Analyst	Photographer	Printer	Producer	Proof-Reader
Radio Disc Jockey	Reporter	Set Designer	Singer	Sound Engineer
Stunt Performer	Technical Director	Web Designer	Computer Network Architect	Computer Programmer
Computer Scientist	Computer System Architect	Database Administrator	Database Architect	Database Specialist
Information Security Specialist	IT Help Desk Support	IT Network Support Specialist	Network And Computer Systems Administrator	Project Manager
Systems Software Developer	Systems Software Developer	Video Game Designer	Web Developer	Web Administrator
